December 2022

Dear parent/guardian,

Lorne P-12 College is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We thank our families for their continued support. It has made a huge difference to our school and the programs we can offer, for instance we provide:

- A variety of advanced learning (Innovations) programs such as Coastal Sustainability, Sport, PE, Music, Art, Indonesian, STEM and Multimedia.
- A variety of intervention programs such as Targeted Student Learning in mathematics.
- A broad range of learning resources in each of our classrooms to assist students with their learning, both in and outside the classroom

This year support from our families has allowed us to undertake school improvement projects such as:

- Purchasing additional ICT equipment such as iPads, notebooks, 3D printers and robotics resources
- Redevelopment of the kitchen garden near the ILS
- Purchasing additional PE equipment chosen by the students
- Upgraded science equipment and laboratory resources
- Ongoing purchasing of great titles and resources for our library

Some of the school improvement projects planned for 2023 include:

- Continue to replace and add to our school's technological footprint – additional iPads, notebooks
- 3D printers and robotics resources
- Provide additional activities and resources for students at recess and lunch times
- Upgrades to the basketball courts
- Install additional storage units in some classrooms
- Refurbish the bathrooms in the Primary area
- Continue developing our school's garden beds.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

In closing, School Council, the Staff and I would like to thank you for your contribution, and we look forward to your support in 2023 and beyond.

Yours sincerely,

Carly Stafford

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g., textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

8 December 2022

Dear parent/guardian,

Lorne P-12 College is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We thank our families for their continued support. It has made a huge difference to our school and the programs we can offer, for instance we provide:

- A variety of advanced learning (Innovations) programs such as Coastal Sustainability, Sport, PE, Music, Art, Indonesian, STEM and Multimedia.
- A variety of intervention programs such as Targeted Student Learning in mathematics.
- A broad range of learning resources in each of our classrooms to assist students with their learning, both in and outside the classroom

This year support from our families has allowed us to undertake school improvement projects such as:

- Purchasing additional ICT equipment such as iPads, notebooks, 3D printers and robotics resources
- Redevelopment of the kitchen garden near the ILS
- Purchasing additional PE equipment chosen by the students
- Upgraded science equipment and laboratory resources
- Ongoing purchasing of great titles and resources for our library

Some of the school improvement projects planned for 2023 include:

- Continue to replace and add to our school's technological footprint – additional iPads, notebooks
- 3D printers and robotics resources
- Provide additional activities and resources for students at recess and lunch times
- Upgrades to the basketball courts
- Install additional storage units in some classrooms
- Refurbish the bathrooms in the Primary area
- Continue developing our school's garden beds.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

In closing, School Council, the Staff and I would like to thank you for your contribution, and we look forward to your support in 2023 and beyond.

Yours sincerely,

Carly Stafford
